Notes & Details

Perfect for applications like concession stands, snack bars at local sporting events, town fairs, or even small golf courses, this Carnival King HDRG30 roller grill is sure to entice hungry customers. With this roller grill, guests won't be able to resist the sight and aroma of plump, juicy hot dogs, sausages, and other tasty snacks! This grill holds up to 30 hot dogs and features dual temperature controls backed by 1430W of heating power, which provides independent control over the front rollers. You'll be able to prepare two different types of food at the same time, or use the separate zones to simultaneously cook and hold your most popular product.

This unit comes with a glass sneeze guard which offers a great way to keep your hot dogs, breakfast sausages, and eggrolls protected from airborne contaminants during the busy hours at your snack bar or concession stand. This guard is made from extra-strength tempered glass with an attractive curved design, while stainless steel sides create a sturdy frame. One end is left completely open on the grill, allowing you to easily access the interior with tongs.

This hot dog roller grill is also a great addition to your fundraiser, or school event looking to add quick, grab-and-go items to the menu without breaking the bank. It gives you a durable and efficient machine at an affordable price! The all stainless steel construction is supported by sturdy, non-skid feet and boasts a removable drip tray that makes cleaning a breeze. It requires a 120V electrical connection and has an output of 1430W.
