Item #382PBWM24

Technical Data

Type	Thermostats
------	-------------

Features

- Compatible with Carnival King BWM30 waffle makers
- Ensures accurate temperature readings
- Direct replacement for original part

Notes & Details

Use this Carnival King 382PBWM24 thermostat as a direct replacement for the one that came standard with your Carnival King BWM30 waffle maker to ensure accurate temperature control. It is essential to fix your thermostat if it shows signs of damage to ensure your food is being cooked to the right temperature.
