Notes & Details

This Carnival King SCMCART is the best way to prominently display your Carnival King SCM350R Royalty sno-cone machines while adding the convenience and merchandising potential of mobility. Your customers are sure to love its classic appeal and festive blue powder-coated steel design.

This cart features a side shelf that's perfect for preparing ingredients, holding syrups, or merchandising cups and spoons for quick sale at stadiums, fairs, and other events. The sturdy handle enables easy, comfortable maneuvering as you push your mobile sno-cone cart to and from your most popular selling locations. The large, 16" rear wheels make this mobile unit look great while giving you the versatility to take your sno-cone machine anywhere!

An underneath storage area provides ample space for scoops, cups, or any other necessary supplies to help your sno-cone sales soar! Its cubbyhole design is only accessible from the back, so you can keep your supplies out of sight for a professional presentation. Tools are included for installing the wheels and setting up the cart.
