Notes & Details

Casually whip up your favorite frozen beverage with this Carnival King single 1.6 gallon pourover granita / slushy / frozen beverage dispenser! Ideal for frozen treats like smoothies, slushies, and granitas, this dispenser is sure to boost beverage sales by showing off the refreshing drinks inside, increasing your customers' thirst. Plus, with a durable stainless steel chassis, removable drip tray, and drip-free valve, this beverage dispenser is hassle-free.

The single, BPA-free 1.6 gallon bowl gives high visibility to the contents inside. This dispenser also includes a bowl slush thickness control on the back of the device, which gives you the perfect consistency for every occasion. This slushy machine is ideal for low usage environments only. Do not allow the machine to run for longer than 8 hours at a time. Keep your customers happy and hydrated with all of your delicious frozen concoctions in this durable dispenser.
