Insulated	With Insulation
Number of Faucets	1 Faucets
Type	Hand Washing Stations

Notes & Details

Ensure optimal hygiene and health standards at your off-site event or other venues that lack a running water supply with this CaterGator 2.5 gallon insulated black portable handwash station. The insulated dispenser is durable, storing up to 2.5 gallons of water and giving you the dependability you need when it comes to providing your staff with a safe supply of water for hand washing. While the spring faucet features a drip-proof spigot that allows for convenient access to running water at all times, the dispenser can also be marked with one of the six included labels to designate its proper use. The label messages include "Handwash Only", "Handwash Station", "Employees Must Wash Hands", "Dirty Water", "Employee Use Only" and a blank label with no text to ensure that each component can be labelled to suit your needs.

Designed to keep your water supply hot or cold for up to 4-7 hours, this station extends the hold time for your preferred water temperature. By preheating or prechilling your CaterGator beverage dispenser before an event, you can promote maximum efficiency and ensure the longest temperature retention possible. This versatile kit also comes with a convenient Lavex bucket to catch the dirty water to encourage ideal sanitary conditions. Simply fill your beverage dispenser with hot or cold water, add the included "Hand Washing Only" labels to the dispenser and a "Dirty Water" label to the included Lavex bucket, and you'll have a free-standing hand wash station that's designed to meet health requirements at any event! Thanks to the Lavex dirty water bucket's reinforced bottom and heavy-duty handles, you can count on it to stand up to heavy-duty use. Designed to uphold optimal hygiene standards while providing an incredibly durable design, this kit is the perfect addition to any foodservice facility specializing in off-site services!

Kit Includes:

- (1) 2.5 Gallon CaterGator beverage dispenser
- (1) 10 Gallon Lavex dirty water bucket
- (6) Labels
