

CH54100V

HOOVER® TASKVAC 2 COMMERCIAL
BAGGED UPRIGHT

COMMERCIAL

Lightweight and Effective for Daily Cleaning

Get more maneuverability and less fatigue with a lightweight design. The bagged TaskVac 2 can easily be transported up and down stairways and from room to room. With Clean Drop™ HEPA bags, cleanup is fast, easy and mess-free.

COMMERCIAL

Features

Easy Change Brushroll & Belt

Long-lasting belt and easy-access brushroll for less time spent on maintenance.

Lightweight Low-Profile Design

Easy to carry up and down stairs and from room to room and lays flat to get into hard-to-reach spaces.

Clean Drop Bags

Clean Drop™ HEPA bags remove easily with the push of a button.

35' High-Visibility Cord

Extended reach and visibility for commercial applications and enhanced safety.

Warranty

One-year commercial warranty.
