

#176ICBN125BK

MOBILE ICE BIN

32" x 23" x 29" • BLACK

125 LB. CAPACITY

FEATURES & BENEFITS

COLD RETENTION

- Will maintain temperature for up to 4 hours without replenishing ice. Hold temperature for days by draining melted ice and refilling caddy with new ice

CAPACITY

- Transport and store up to 125 lb.

SUPERIOR TEMPERATURE RETENTION

- Thick insulation to preserve cold temperatures
- Recessed interior well and faucet for quick draining to keep ice out of melted water and extend holding times. Recessed interior well fits any brand 1/3 size drain tray

CONVENIENT ACCESS

- Slide lid back and secure under the top lid for easy accessibility to contents
- Lids are removable for thorough cleaning
- Large 11½" x 17" opening for loading and unloading of contents

EASY MOBILITY FOR ANY SURFACE

- (2) 5" Front swivel casters with brakes
- (2) 8" Rear fixed wheels
 - > Large size wheels make mobility easier and smoother than smaller wheels
- Sturdy, molded-in handles

DURABLE POLYETHYLENE EXTERIOR

NO ASSEMBLY REQUIRED
