

Chicago Metallic ePAN® Bun Pans are manufactured from high tensile strength aluminized steel which produces a pan that is thinner and lighter, yet substantially stronger than traditional pans. Using less metal also means ePAN Bun Pans heat faster and cool more guickly.

Energy Efficient

ePAN® uses a thinner gauge but higher tensile strength aluminized steel that allows the pan to heat up and cool down faster, resulting in reduced energy cost.

Environmentally Sensible

ePAN® requires a substantially lower volume of raw material resulting in less resource consumption.

Ergonomically Sound

The lighter weight ePAN® - weighing up to 25% less than a traditional pan - makes handling more manageable and less stressful for employees.

Extended Pan Life

The high tensile strength of ePAN°'s aluminized steel minimizes the potential for pan damage.

Item#		Description	A	Weight	Overell Size in
Glazed	DuraShield	Description	Arrangement	Each, lb.	Overall Size, in.
Hamburger Bun/Muffin Top/Cookie Pans					
42495		26 gauge*, wire in rim	4 rows of 6	4.6	17 ³ / ₄ x 25 ³ / ₄ x 1 ¹ / ₃
42425		26 gauge*, wire in rim	3 rows of 5	4.5	17 ¹¹ / ₁₆ x 25 ¹¹ / ₁₆ x 1 ¹⁹ / ₃₂
42445		26 gauge*, wire in rim	6 clusters of 4	4.5	17 ¹¹ / ₁₆ x 25 ¹¹ / ₁₆ x 1 ¹ / ₈
Hot Dog Bun Pan					
42435	52435	22 gauge*, wire in rim	3 rows of 6	4.5	17 ¹¹ / ₁₆ x 25 ¹¹ / ₁₆ x 1 ⁵ / ₈

BUNDY BAKING SOLUTIONS:

Baking Pans

Coatings & Refinishings

Equipment & Services

Ultimate Coatings

AMERICOAT® ePlus Silicone Glaze

ePAN® Bun Pans can be coated with Chicago Metallic's proprietary AMERICOAT® ePlus, the world's leading silicone release coating.

- Longer-lasting performance
- · Reduced pan oil and labor costs
- · Increased durability
- · Reduced food staining

DuraShield® Non-Stick Coating

ePAN® Bun Pans can also be ordered with our DuraShield® fluoropolymer coating, which provides a guaranteed minimum of 3,500 releases on most bun products.

- · Virtually eliminates the use of oils
- · Outstanding release characteristics
- · Certified to be PFOA free
- Easy to clean
