

# CO-1000N

Save time and money by using the CO-1000N electric coin sorter to quickly and accurately sort your loose change!

## Highlights

- **High Speed** – Fast operation of 240 coins per minute
- **High Volume** – Large hopper of 300 coins allows the user to sort more coins at once
- **Patented Anti-Jam Technology**– Anti-Jam Technology allows you the ease of error free coin sorting as the machine will adjust the motor to prevent coin jams
- **Collection Bin** – Collection bin gathers change that spills over for easy clean up

Ideal for retail & service businesses, restaurants, offices, and more!
