Restaurant Patio Tube Heater

Extend your patio season and increase your seating capacity!

Schwank's restaurant patio heaters provide the perfect comfort for your customers and increases your revenue by having more tables open during colder seasons.

The infrared radiant tube heater design of the comfortSchwank offers customers an efficient heavy duty outdoor heater that is economical yet ideal for outdoor patio applications.

Experience Counts: Schwank is the worldwide market leader and most trusted brand with over 2 million heating appliances sold.

Features

Whisper-Jet technology for silent operation

Overhead mounting leaves more space for seating and keeps aisles clear

Corrosion & moisture resistant to ensure longevity of the heater

 Structural gas supply eliminates portable propane tanks, making the patio more efficient on your gas bill and safer for customers

Low clearances and hanging heights to easily mount to any patio structure and design

Optional Accessories See back for more details.

Patio Remote Control
 PatioPanel
 Tuxedo Grille

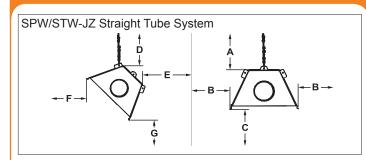

Also Available in pre-assembled U-Tube **P40** model
