Insulated Ice-Cooled Bottle Rails

Model #: CC-LTC-4BR
 (Bottles not included, by others)

See next page for a complete list of available models.

Standard Features:

- Ice-cooled, non-electrical dependency allows it to be placed in the most convenient locations
- Includes Steril-Sil #S-500 perforated cylinders
- Cylinder holes allow maximum air-flow and direct contact of cool air with bottles for the most efficient temperature holding
- Foamed in place insulated base holds temperature for hours on a single ice charge
- Compact design takes up little counter-top space
- S-500 cylinders hold standard 3.5" diameter bottles (not included, by other)
- Rear lid is hinged for easy ice recharge
- Light weight and portable
- Includes non-marking feet
- All welded 304 stainless steel construction
- Made in the U.S.A.

Product Specification:
