Imprint area, front: 3/4" X 1/2". Screen/Pad Print.

9355 Smooth-Pull Corkscrew, Silver Plated

The weighty (12.5 oz.) corkscrew has high-perceived gift value. Operates by utilizing continuous clockwise turning to insert the spiral into the cork and extract it from the bottle. A nylon inset in the body makes turning easier. Both flanged sides are hinged so you can squeeze them around the bottle for a good grip. Rubber insets inside the flanged sides accommodate all bottles. Stands 7" high, 3" wide at the top handle, 2-1/4" wide at the base. Pkg. Code: BX.

Imprint area: along either side, 1" X 1/2" Laser.
