Notes & Details

This Cooking Performance Group 351FB1366 13 1/4" x 6 1/2" x 5 7/8" fryer basket is the perfect way to quickly serve up orders of french fries, chips, mozzarella sticks, and other fried favorites! It features a coated cool-touch handle design that gives a comfortable grip and prevents excess heat transfer, so even on busy shifts you and your employees can keep frying without risk of burns or discomfort. Additionally, the nickel-plated stainless steel mesh provides excellent durability in any setting, and the front hook is compatible with most fryers, making it easy to hang the basket up when it's not being used. It is suitable for use with a variety of fryers from popular brands, and comes at a significant savings compared to the original part! Use it to replace a broken basket, or to keep an extra on hand for when you need it.
