Cooking Performance Group GM-CPG-36-NL 36" Gas Countertop Griddle with Manual Controls - 90,000 BTU

#### Notes & Details

This Cooking Performance Group GM-CPG-36-NL 36" countertop griddle boasts three powerful 30,000 BTU stainless steel U-shaped burners with standing pilots for instant ignition that make it a fantastic choice for busy snack bars, concession stands and take-out restaurants! Great for burgers, bacon, cheesesteak, and other meats, this unit's manual controls offers added appeal to experienced chefs who prefer the "feel" of manual controls, while the 3/4" thick, 36" wide polished steel cooking surface features an impressive 20" depth that is sure to deliver all of the workspace needed.

The Cooking Performance Group GM-CPG-36-NL countertop griddle is made of stainless steel that is both durable and extremely easy to clean, includes back and side splashes to protect your walls and countertops, and even has a full width waste tray to provide you with a complete package of excellent performance and worry-free maintenance! It has a 3/4" rear gas connection and ships ready to connect to a natural gas supply, but includes a liquid propane orifice kit for simple field conversion.
