Notes & Details

Elevate your combi oven with this Cooking Performance Group stand. Made with durable 16 gauge type 430 stainless steel, this unit is built to withstand the demands of a busy commercial kitchen. It even features an 18 gauge stainless steel shelf, which is perfect for storing supplies. It boasts an impressive 650 lb. weight capacity and is compatible with Cooking Performance Group OCB110I and OCB16I half size electric combi ovens (sold separately). It includes 4 sturdy legs to securely elevate your oven to the optimal working height while offering extra storage space underneath. This stand also features cross braces for added strength and stability, and it ships unassembled to save on shipping costs.
