Cooking Performance Group 351RCK18 Natural Gas to Liquid Propane Conversion Kit for S60-G48 Models

Notes & Details

Use the Cooking Performance Group 351RCK18 natural gas to liquid propane conversion kit with your Cooking Performance Group S60-G48 range to change its fuel type. This kit allows you to convert your natural gas unit into a liquid propane unit. The change can be made in the field with minimal down time so that your range is ready for use as soon as possible. It comes with (2) #50, (2) #51, and (4) #54 burner orifices and (2) 351302130447 liquid propane pilots.
