# Notes & Details

Boost your kitchen's efficiency, reliability, and overall performance with this Cooking Performance GroupS36-G36-L gas range! This liquid propane range boasts 2 sleek and powerful 36" griddles to deliver the impressive cooking performance you demand, as well as 60,000 BTU. Its steel surface is great for whipping up pancakes, frying up eggs and sausages, or even searing juicy steaks. Plus, the manual controls are easy to use and set, and the side splashes help contain grease while the drawer makes cleanup a breeze. A 4 1/2" plate rail also gives you a bit of extra room to work with and combines with a 9 1/2" deep back shelf that holds go-to seasonings and supplies to maximize your cooktop efficiency.

A 30,000 BTU standard oven makes this unit even more versatile by giving you a convenient way to roast or warm your delicious foods or even do a bit of baking for your dessert menu! The oven's temperature can be adjusted from 250-550 degrees Fahrenheit to accommodate virtually any recipe. With 2 chrome plated racks that can be used in 4 different positions, you can easily arrange the oven to best complement your specific needs.

This 36" range features a rugged stainless steel front and durable aluminum sides that are not only designed to provide you with years of trouble-free performance, but are also extremely simple to clean! And, thanks to the porcelainized bottom, maintaining a spotless oven is easier than ever. 6" adjustable stainless steel legs ensure that your unit is level and allows you to easily clean underneath for a safe and sanitary kitchen. A liquid propane connection, located on the right side of the unit, is required for operation.
