

NEW!

CoolCheck™ units help take the guess work out of food safety.

- Patent-pending technology allows you to quickly see when temperatures are no longer safe*
- Same great features as our standard Coldmaster products with the added element of color-changing technology
- Eliminates the guessing game behind food safety
- Unit holds food safely below 41° for 6-8 hours*
- Reduces waste by “telling” workers when food temperature is safe
- Eliminates the mess and inconvenience of ice
- FDA approved; dishwasher safe
- NSF Listed

*Time will vary based on ambient room temperature

For more information please contact your local sales representative

The Coldmaster® Story

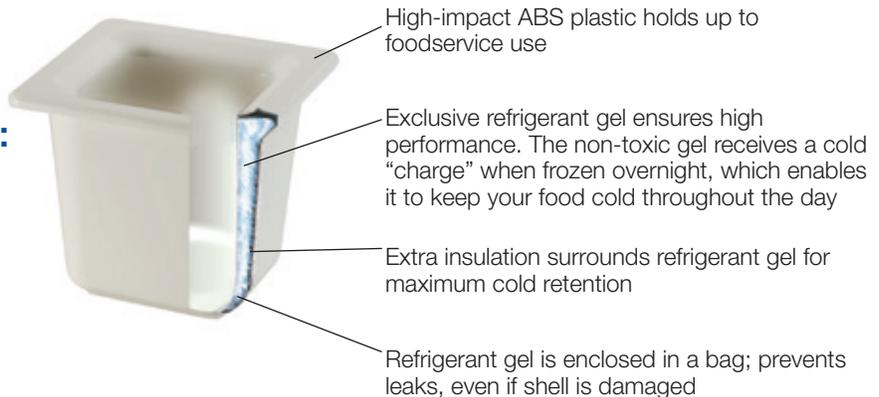

- Coldmaster system eliminates the inconvenience and mess of ice, as well as reduces the potential for bacteria
- With one overnight “charge” in your freezer, each Coldmaster keeps food at or below the ServSafe®* guidelines of 41°F for up to eight hours†
- All Coldmaster products are filled with an exclusive non-toxic refrigerant gel
- Constructed of high-impact ABS plastic
- See our complete line of Coldmaster products at www.carlislefsp.com

*ServSafe is a registered trademark of the National Restaurant Association

†Time will vary based on ambient room temperature
