

The Cotton Candy Deep Well Carts

The New Deep Well Cart provides ideal machine positioning for serving fresh Cotton Candy.

Available in Pink or Blue!

Matching graphics for each color

Constructed of 18-gauge Steel

designed for sturdiness, the cart is powder coated to maintain high durability.

Superior Design

The Deep Well cart is designed so that the cotton candy machines will sit down inside the cart; allowing easier and more efficient access to collect the flossed sugar.

Reversibility

The wheels, support legs, and handle can be assembled on either side of the machine, allowing optimal positioning.

Stainless Steel Cabinet

this extra space provides a convenient storage location for cones and bags.

Floating Shelf

this side shelf easily hangs on either side of the cart, can be removed for easy cleaning, and has pre-drilled holes to hold your ready made cotton candy.
