REV	DESCRIPTION	DATE	APPROVED
-	Engineering Release	01/01/2020	Todd Stone

The sink option as shown is for direct connection to a pressurized water supply. If not connecting directly to a pressurized water supply, the IBILC-SK-WBS built in cabinet option is available with removable fresh and waste water tanks. It is also supplied with an electric water pump to draw water from the freshwater tank to the faucet.

Standard faucet shown. Cabinet will support other faucet options

Pull out drawer with paper towel holder

Storage area below the sink. Optional drawer configurations are available at the time of ordering or can be installed at a later date.

Door shown with righthand mounting option. Door hardware can be switched for a lefthand mount.
