

HOSPECO® Dual No. 1 Pad/Tampon Vendor

Key Features

Menstrual care products are a necessity. So is proper disposal. Hospeco Brands Group is now the only maker of menstrual care products for the away-from-home market that packs a safe, sanitary disposal method, free, with most product vending machines. Under the new program, customers who order D1 and EV sanitary pad and tampon dispensers get a free Scensibles® dispenser and Scensibles® personal disposal bag refill pack, in specially marked cartons. Lightly scented, the Scensibles disposal bags have two easy-tie handles to safely dispose of used menstrual care products and feature a built-in odor inhibitor that inhibits the growth of odor-causing bacteria on the bag, helping to keep restrooms smelling fresh.
