Made in USA	No
Product Copy	An essential kitchen companion, our COOL BLUE® 10 ¾" Silicone Brush features a blue silicone exterior that offers excellent heat resistance and will not scratch your cookware. This brush is perfect for applying an even baste to chicken, hams, and any other types of food, and it will not leave bristles behind. The handle is comfortable to hold for extended periods and silicone construction makes it resistant to high temperatures up to 500 degrees.
NSF Certified	Yes
