

DPW10
10 pans

JA5P2618 + DPW10

Mobile Warmers/Proofers

Doyon warmer/proofers provide uniform proofing and holding from top to bottom with their unique even flow system. These units have been designed for small and medium production of food products.

Can hold with ambient humidity or with optional humidity control (suffix S) on 1.9 kW unit instead of 1.4 kW

Versatility: Croissants, bagels, pastries, breads, rolls, food holding and much more.

DPW10

*“Superior quality product
at an affordable price !”*

Mobile Warmer / Proofers
