Add a little height to your presentation with our collection of wrought iron pizza stands! Not only are these decorative looking stands perfect for artfully displaying and serving your delectable dishes, they also free up extra space on the table. By elevating the plates, pans, trays, and peels with food, your guests will more easily be able to serve themselves. Choose from different styles to match any venue, whether casual or upscale! These stands are great for buffets and weddings, too.

With a top diameter of 7″, bottom diameter of 9″, and height of 7″, this black ironworks drum pizza stand will take your presentation to new heights. Designed with versatility in mind, this round, diamond-patterned stand is perfect for artfully displaying and serving pizzas, hors d'oeuvres, and desserts. It elevates dishes, creating additional space on the table and making it easier for guests to serve themselves. Constructed of high-quality, durable wrought iron metal, this stand will remain intact for years on end. Use this eye-catching stand at your pizzeria, restaurant, diner, banquet, or hotel. Hand wash only.
