Dri-Pod Floor Dryer

Dry carpets and hard surfaces fast! Enhance evaporation across floors and quickly remove surface moisture in small spaces. Unique design pulls warm, dry air from above and directs it down through a louvered grill across the floor – drying in all directions! This lightweight, stackable unit is perfect for speed-drying carpet and floors, under furniture and inside cabinets. NEW! Onboard convenience outlet allows you to daisy-chain up to 6 Dri-Pods, and its new motor and fan blade combination deliver just as much airflow power yet quieter operation.

Features

- Dries carpets and hard surface floors quickly after cleaning, leaks or spills.
- Onboard convenience outlet—daisy-chain up to 6 units.
- Move easily. Simply pick it up and carry it! Stacks for storage, too.
- Dry faster. Unique design directs air uniformly across floor in a 360° pattern to accelerate drying.
- Quiet operation - especially important for drying occupied spaces.
- Dry confined spaces. Use inside cabinets, closets or bathrooms—it's only 15 inches wide and fits almost anywhere!
