

- TASTE THE DIFFERENCE -

## MODEL CS704

### The Electro Freeze Advantage

- **Flavor System**

Press a button to dispense 4 flavor choices vanilla (unflavored shake mix) and 3 flavors. A rinse button eliminates flavor carry over. One gallon syrup jugs eliminates waste and saves crew time.
- **Self-Contained Syrup system**

No hookups to a CO2 system required  
Easily adjustable syrup system  
All pumps can be configured for standard or high viscosity flavors  
Dispense syrup directly from the syrup container  
Simple to clean and maintain  
Syrup cabinet has six cubic feet of storage
- **7.7 quart freezing cylinder**

Extra Large capacity, with additional frozen product available  
Fast efficient freeze down and recovery
- **Fewer parts to disassemble and clean**

One piece beater design  
Long lasting non-reversible scraper blades  
No syrup containers to clean
- **Adjustable mix feed**

Adjustable mix feed allows the operator to meet all operational conditions  
Mix feed can be turned to off position without removal, for non-business periods.
- **Produces a consistently smooth creamy product consistently.**
- **Electro Freeze offers nationwide service support.**
