

8FT THERMOPLASTIC EXPANDED METAL BENCH WITH BACK

6FT THERMOPLASTIC EXPANDED METAL BENCH W/O BACK

This heavy-duty thermoplastic-coated steel bench series is available in two classic sizes - 8FT (three-seater) and 6FT (two-seater) - engineered specifically for high-traffic public spaces and outdoor landscape applications. The bench surface features an expanded metal mesh design, paired with 2 3/8" diameter main frame tubing, delivering a perfect balance of modern industrial aesthetics and extreme durability.

FEATURES:

- > 1200lb weight capacity, paired with 6-gauge expanded metal mesh and a 2 3/8" main frame, delivers rugged durability and superior impact resistance.
- > The diamond mesh design promotes airflow, keeping the seating surface dry and comfortable even on hot days.
- > Graffiti-resistant surface allows for quick and easy removal of marks and spray paint, significantly reducing maintenance costs.
- > Thick thermoplastic coating provides long-lasting protection against UV rays, acid rain, moisture, and extreme temperature fluctuations, ensuring a like-new appearance year after year.
- > Wide, comfortable seat with an 18" seat height makes sitting down and standing up effortless.
- > Available in 8FT and 6FT sizes, with complete mounting hardware included for fast, easy installation that adapts to a variety of space configurations.
