## Notes & Details

Cook up hearty portions of rice for your authentic Mexican restaurant, Asian bistro, or on-the-go sushi counter with this Emperor's Select 40 cup (20 cup raw) sealed electric rice cooker / warmer! Capable of preparing up to 45 cups of cooked rice in just 50 minutes, this rice cooker is designed to meet the demands of your busy operation. This rice cooker automatically switches from cooking to warming mode once cooking is complete, so you can be sure that your freshly cooked rice stays at the perfect temperature for your guests. This cooker allows you to keep the ready-made rice at an ideal serving temperature for up to 12 hours! Plus, its tightly sealed hinged lid locks in moisture to ensure perfectly cooked rice every time.

The easy-to-use digital control panel features short grain and long grain rice cooking presets and a delay timer that can be set between 1 1/2 and 4 hours, so that your food can begin cooking exactly when you need it to. Its stainless steel construction and a removable non-stick aluminum interior pot offer long-lasting durability and easy cleaning. The included clear measuring cup provides quick, accurate portioning of dry rice into the pot, and the rice paddle allows you to efficiently mix, scoop, and serve your rice while preserving its consistency. A 120V electrical connection is required for operation.
