Notes & Details

Enhance your cooking experience with the Emperor's Select 14 1/2" aluminum wok cover! Crafted from durable aluminum, this cover is both light weight and maneuverable, making it easy to tilt and lift during the cooking process. The aluminum material heats quickly and evenly, aiding in the retention of heat within the wok for efficient cooking. Additionally, the cover efficiently traps steam, speeding up the cooking process and ensuring your dishes are prepared in a timely manner.

Equipped with a sturdy, riveted loop handle, this wok cover provides a secure grip for safe handling in fast-paced kitchen environments. The smooth aluminum surface is not only easy to clean but also ensures that your cover maintains a sleek appearance over time. Pair this wok cover with compatible 16"-18" woks (sold separately) for high-volume service and consistently delicious results. Elevate your cooking game with the Emperor's Select aluminum wok cover and experience the convenience and efficiency it brings to your kitchen!
