SPECIFICATIONS

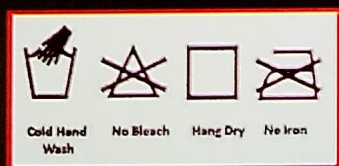

- 100% cotton body
- Textured neoprene palm
- 14" total length
- Industrial grade strength

PRODUCT CARE & USE

- Hand wash only
- Air dry
- Do not bleach

HAND WASH INSTRUCTIONS:

1. Lightly scrub inside of mitt by hand with a mild detergent. Rinse in warm water (or rinse sanitizer, if desired). Wipe clean mitt exterior with damp cloth.
2. Squeeze any remaining excess water inside of gloves to allow for faster drying time.
3. Hang mitt fingers up to air dry.

DO/DO NOT:

- DO NOT expose to flame.
- DO NOT submerge in hot liquids.
- Always check for cuts or tears before using product.
- Always exercise caution when using mitts, gloves, or protective wear.
- Always use product only for its intended purposes.
