## Notes & Details

---

Easily make perfect crepes with this Estella CMX16DBLM double crepe maker! Powerful and easy to use, this crepe maker is a wonderful addition to any kitchen and is especially ideal for diners, cafes, and creperies. It features two edge-to-edge coiled and insulated 3500W heating elements that provide even heat distribution to the heavy-duty, dual 1" thick polished steel griddles. Each 16" griddle is independently controlled for increased output.

Made from durable 304 stainless steel, this crepe maker also features adjustable 4" stainless steel bullet feet for easy cleaning. Its adjustable digital controls for time and temperature add precision to your crepe making abilities, making it incredibly user-friendly. Two 240V electrical connections are required for operation.
