

# Fleet

- Premium unit offers 24% more interior floor space (1,059 square inches) than other units in its class - creating more space for mothers with small children, construction workers with bulky tool belts or winter gear, and VIP renters seeking a higher class experience.
- Corner tank allows for most efficient use of interior space - making room for non-splash urinal, sink, and other amenities that appeal to multiple markets, from work sites to upscale events.
- Easy-to-clean with sleek interior and exterior surfaces.
