Specifications

FS-H Model Heavy Duty Utility Sink is constructed of 16GA Type 304 stainless steel. Unit measures 24" x 18" x 12" deep with integrated full-height apron and built in pitch to 4" OD waste outlet with strainer.

Product Guide

IMC Utility Sinks are easily cleanable without the use of tools. All corners are coved, and all seams are fully welded and polished.

Rugged type 304, 18-8 stainless steel construction, engineered to stand up under day-in and day-out abuse.
