Notes & Details

Spin and dry salad with this Garde 2.5 gallon salad spinner with brake to enhance the quality and presentation of your delicious salads. This salad spinner / dryer quickly removes excess water with each spin of the handle, ensuring that your salad greens are dry and ready for dressing. The integrated brake system allows you to quickly stop the unit with a simple press of the button, eliminating damage to the gear system. This spinner's bottom features an attached hose that drains the water, preventing re-soaking of the vegetables.

The 2.5 gallon capacity can effortlessly handle 2-3 heads of lettuce at once, increasing efficiency and productivity in your busy kitchen. Additionally, the unit's suction cup feet provide optimal stability on a wide variety of prep or sink bowl surfaces, making this tool a necessary addition to any kitchen. To use, simply load the chopped greens into the interior basket, place the lid on the body, and spin the handle.
