

GCC – GIESEN COFFEE ROASTERS

GREEN COFFEE CONVEYER

GREEN COFFEE CONVEYER – GCC

CONTROL YOUR QUALITY

No more lifting and moving heavy sacks above your head, but also no more repeated bending and scooping! The GCC automatically transports your green coffee to the hopper. The speed of which the daily chores can be performed is much higher, providing better working economies as well as reduced risk.

GCC VARIATIONS

The GCC is available for the W6 series, W15A, W30A, W45A, W60A and W140A roasters. All GCC variations can be equipped with weighing cells, so you can exactly see how much coffee you are going to roast.
