

Greenware® On-The-Go Boxes

Now you can stack your shelves with creative food combinations – perfectly packaged for on-the-go consumption.

**Crystal-clear, compact containers
in 2-, 3- and 4-cell designs.**

Your customers are going places. And they want exciting food combinations to take with them. Greenware® On-The-Go Boxes let you create, display and sell a world of meal and snack combos – from breakfast to p.m. snacks. Showcase foods and maximize space on your shelves and in the cold case. Greenware® On-The-Go Boxes are good for business and – since they're made entirely from plants – good for the environment too.

For all the ways Greenware® On-The-Go Boxes can help build your business, see other side.

GREENWARE®
MADE FROM PLANTS
Show Your True Colors.™

Have Combos. Will Travel.

The perfect breakfast bite. A delectable lunch. Irresistible snacks and sweets. You can package them all – beautifully and efficiently – in crystal-clear Greenware® On-The-Go Boxes. They're compact, sturdy and shrink band-compatible for tamper evidency. In three styles with one flat lid that fits all.

4-cell container

Good for business. Good for all of us.

Greenware® On-The-Go Boxes are made from Ingeo™ biopolymer, a PLA resin derived entirely from plants – not petroleum. That's a difference that resonates with consumers and something they look for in the establishments they frequent. Greenware® is 100% compostable in actively managed municipal or industrial facilities.*
