- Adhesive-backed floor mat stays exactly where you put it with no shifting, bunching up or ripples that cause slips and trips — no straightening, no hassles

- Easy to clean: you can sweep, vacuum or use your carpet extractor over Grippy Mat and it won't budge
- No rippled edges to obstruct doors or create tripping hazards; ADA compliant for wheelchairs and walkers
- Sticks to most commercial floor surfaces including concrete, vinyl, linoleum, tile and

laminate flooring

- Tested and Certified by the National Floor Safety Institute (NFSI): high-traction surfaces such as PIG Berber Carpet Grippy Mat have been proven to reduce slip-and-fall claims by as much as 90%

Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.

Adhesive Notice

All adhesive mats have some potential to leave residue, lift and/or discolor 1) surface finish, 2) surface coating, 3) paint, 4) loose or previously damaged tiles. For these reasons and others, if you have questions about the suitability of New Pig Adhesive-Backed Mats or Films for your application, test a small section of the mat in a discreet or non-critical area before using on larger areas.
