

Excellent Contact Clarity-
Great for Merchandising!

MicroGourmet® Plastic Deli Containers

Busy operations will appreciate how this versatile line of deli containers allows pre-packaged foods to be refrigerated and microwave-reheated in the same container. Five different container sizes use one common recessed lid to help streamline inventory. Available in contact clear for excellent food visibility or in white to minimize ultra-violet light exposure to keep container contents fresh and extend shelf life. Custom print available on containers only.

Features

1 Lid fits 5 container sizes

Lid interchangeability reduces storage requirements and increases operational efficiencies

Customized design available

Up to 6 colors on all containers

Recessed tight-fitting lid

Prevents leaking during transport and handling

White sidewall and lid options

Minimizes ultra-violet light exposure to keep container contents fresh and extend shelf life

Made of recyclable PP

Check locally, may not be recycled in your area

Dual temperature usage

Versatile polypropylene material allows for broad temperature range (-4°F - 230°F) to go from refrigerator to microwave

Excellent contact clarity

Clear option provides exceptional food visibility to increase sales of pre-packaged food
