The Mighty Mini Industrial Vacuum That Delivers!

The DP-E1-H Compact HEPA Industrial Vacuum is built tough to withstand daily harsh industrial applications while being compact and powerful simultaneously. The vacuum is compact and mighty, and it doesn't skimp on features like a detachable collection tank, multi-stage HEPA filtration (Choose HEPA model), and a complete accessory package to handle most daily cleanup needs. The DP-E1-H industrial vacuum offers outstanding dry performance while handling minor wet pickup of saturated material. The machine boasts a powerful motor, producing 75" of lift and 96 CFM. The HEPA model features a true HEPA filtration system that delivers 99.97% filtration at 0.3 microns!

Don't need HEPA? The DP-E1 models give you powerful wet/dry pickup performance, accessories, and standard, non-HEPA filtering.
