

SLM Free Standing Single Lamps

BASES NOT SHOWN FOR CLARITY

SLM Free Standing Single Lamps

Description: Single heat lamp fixture mounted on a 7" or 9" solid or antique base. CH models denote mirror polished Stainless Steel construction. BR models denote Brass construction with baked-on enamel finish to eliminate need for polishing. All internal components including lamp sockets and wiring are high temperature rated (200°C). Switch is rated for 15 amps @ 120 volts. Power cord exits through back of upright.
