| HF50DC

DC 12V Block Ice Shaver

- The stainless blade is made in Japan for its long lasting sharpness.
- You can shave ice for hundreds of cups in a day using a deep cycle battery.

Recommended for outdoor use with a rechargeable deep cycle (marine) battery :

perfect for cart businesses, amusement parks, baseball/football fields, and concession trailers.

A 40AH(amp/hour) deep cycle marine battery, for example, theoretically allows the HF50DC to shave more than a thousand servings of shaved ice by a single overnight charge.

The electric specifications of Model HF50DC are DC 12V 9A 110W.
