Multi-Purpose Holding Cabinet

MPC 22 2-tier

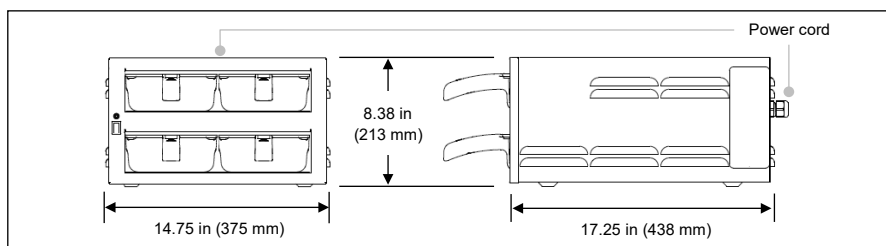

MPC 22 modular multi-purpose holding cabinet

Henny Penny multi-purpose holding cabinets are ideal for keeping small quantities of hot menu items safe, appetizing and ready for immediate serving or packing.

The MPC 22 is a compact, modular unit that can be placed on countertops, side-by-side or stacked. Flexibility improves work flow by making popular items instantly accessible wherever they are needed.

Each unit features 4 drawer pans on 2 tiers offering multiple holding environments with independent temperature controls.

One-piece molded drawer pans with easy-grip handles won't interfere with crew workflow and stand up to the toughest commercial kitchen treatment.
