

Hatsuyuki HC-500E Specifications

HF-500E

- Shaved ice is not crunchy or brittle, instead it's fluffy, light and flavorful.
- Operation stops automatically when the ice cabinet cover is opened.
- On/Off-(toggle switch)

Model HF-500E uses the food zone plastic covers and parts confirmed safe as per NSF standards and the covers are unflammmable as per UL safety standards.

For safety, the machine does not start while the ice cabinet front cover is open.

The motor and the sharp/hard stainless blade are made in Japan for durability.

HF-500E is listed on **UL** and **NSF** certifications.
