100% All Natural:

- Our products include only natural wood for grilling and baking accessories. All wood is untreated.
- All wood is kiln dried.
- Our products do not have any additives and are free from pesticides and herbicides.

Food Safe Manufacturing:

- ASI Food Safety audits the Wildwood Grilling manufacturing facility annually. Wildwood Grilling consistently passes these audits.
- Wildwood Grilling is not a food producer, so the FDA does not regulate us. We choose to maintain our compliance with:
 - Good Manufacturing Practices (GMP)
 - Proper Standard Sanitation Procedures (SSOP)
 - U.S. FDA Guidelines for the HACCP Program

100% USA Made:

- The raw material is sourced from the United States and all of the manufacturing is done in the United States.

Labeling Instructions:

- Prop 65 warning when sold in the state of California because wood can produce smoke.
