These riser sets have unique framed designs to give your foods a more minimalistic stage. They're absolutely guaranteed to catch the eyes of guests on the buffet line or display case, but even more than that, they're guaranteed to ensure that the true star of the show is your delectable bites.

Place your hors d'oeuvres or small desserts on a shimmering backdrop with this 3-piece hammered stainless steel rectangular riser set. With a small, medium and large riser included, you can produce an eye-catching, layered display for your most popular menu items, and when not in use, they will nest for efficient, space-saving storage. Perfect for daily specials, hors d'oeuvres or desserts, this riser set will showcase any of your food beautifully. Because of its versatile color, these risers can be paired with virtually any of our trays or serving boards, or simply place the food directly on the risers. Add a fresh twist to your buffet presentation!
