INFINITY™ TRADITIONAL SMOKING RECEPTACLE, ANTIQUE PEWTER

Infinity™ Traditional Smoking Receptacle offers sophisticated styling and all-metal construction for attractive and efficient smoking litter management. High-quality craftsmanship ensures receptacle gets the job done in any environment.

FEATURES & BENEFITS

- Designed with unobstructed funnels to reduce jamming during cigarette disposal
- Round, metal smoking ash urns are used for cigarette disposal and have a stainless steel snuff plate to put out cigarettes and minimize smoldering
- Stainless steel resists rust, stains and corrosion
- Curved cap prevents items or trash being placed on top and water from entering the canister
- The 360-degree disposal opening offers convenient access for easy disposal
- Integrated padlock tabs allow the urn to be locked to help prevent tampering and theft
- Guidance tabs on the collar and base facilitates simple removal and reattachment of receptacle during cleaning
- Equipped with holes to bolt to ground to help the container remain stable and add security
