A close-up photograph of a person's hands pouring dark, roasted coffee beans from a small black container into a manual coffee grinder. The grinder is black with a silver-toned metal burr visible inside. The background is a blurred wooden surface. The text "BREW EPIC COFFEE ANYWHERE" is overlaid in the center in a bold, white, sans-serif font. At the bottom, there is a small white maple leaf icon followed by the text "DESIGNED IN CANADA, BUILT FOR ADVENTURE." in a smaller, white, sans-serif font.

The Java G25 Grinder is built with a conical stainless-steel burr grinder that is balanced by dual bearings to create the smoothest, most consistent coffee grounds for a more flavorful experience. If you want to change the size of your grind, simply crank the dial to choose from 50 different settings.

★★★★★

"Superb! As much a piece of mechanical artwork as a grinder."
