Jonti-Craft Flagship Features Include:

KYDZSafe corners & edges are rounded to minimum of ½" radius. KYDZSafe kickplates prevent pinching & lost objects. KYDZSafe 15" depth adds increased stability & 25% more storage than competitor's 12" depth. KYDZStrong materials are guaranteed to last. KYDZStrong dowel-pin construction adds stability & strength. KYDZStrong Recessed backs give stability & structural integrity. KYDZTuff acrylic finish is ultra-long lasting and resists yellowing. The UV coating is environmentally friendly and easy to clean with an extra-strong resistance to daily wear and common cleaning products, like bleach and nail polish remover. MAXBrackets are heavy-duty casters that make it easy to support and move furniture. Wheels are made of hard, non-marking rubber and a three-point-connection bracket adds triangular strength.
