Give children the thrill of combining both sensory and light. This handy cover fits over the top of larger sized Jonti-Craft light tables and has a see-thru bottom, which is especially great for exploring sand and light. It helps to protect the surface of the light table and the 3" tall side rails contain messy media. Plus, it fits over the edge of the light table to ensure a stable surface and is large enough to accommodate groups of children. KYDZSafe® edges. KYDZStrong® construction. KYDZTuff® finish. GREENGUARD Gold certified. CARB II & CPSIA compliant.

SECTION A-A

## Jonti-Craft Flagship Features Include:

KYDZSafe corners & edges are rounded to minimum of 1/2" radius. KYDZSafe kickplates prevent pinching & lost objects. KYDZSafe 15" depth adds increased stability & 25% more storage than competitor's 12" depth. KYDZStrong materials are guaranteed to last. KYDZStrong dowel-pin construction adds stability & strength. KYDZStrong Recessed backs give stability & structural integrity. KYDZTuff acrylic finish is ultra-long lasting and resists yellowing. The UV coating is environmentally friendly and easy to clean with an extra-strong resistance to daily wear and common cleaning products, like bleach and nail polish remover.
