JOY CATCHER

Claw Machine: 31" Wide

Available in January 2025, the Joy Catcher is a modern designed claw machine meant for arcades and family entertainment centers.

A large capacity machine with a large sized claw to support up to 7-9" plush. A display shelf in the back helps feature prizes and gives the ability to customize the look of the game.

Set it to "win every time" and have it function as an interactive electronic vending machine or set the win ratio to skill play.
